HEB Gift Cards

Do you want to raise money for your Churchill Band student without spending an extra dime out of your pocket? Do you, your friends, and family shop at **HEB**? Then welcome to the **HEB** Gift Card student fundraiser!

Here is how it works. The Band Parents Association (BPA) purchases Gift Cards from HEB at a discount. You, your family and friends buy the Gift Cards at full face value from the BPA, and your student receives 4% of the face value of the purchase in his or her point account. For example, if you buy $100 in Gift Cards, the BPA will credit $4 of points into your student's account. The fundraising points can be used to pay for student assessment fees, trips, and other band expenses. The cards are good for their full face value at any **HEB** and Central Market store in Texas, for any type of purchase - groceries, flowers, photos, cosmetics, pharmacy, gasoline, etc. Cards never expire.

Gift Cards are sold in fixed denominations of $25, $50, $100, $150, and $200. Cards must be paid for with cash or check at the time they are picked up. Please make checks payable to "Churchill BPA" with your student's name in the memo section. Cards sell very quickly, and sometimes not all denominations are available at all sales dates. It is best to send me an email with your order at least a day in advance of each sale. I will let you know if the denominations you want are available.
